Wet playtimes are referred to as a playtime that is not safe in the outdoor area. Weather changes are closely monitored.

Reception Wet Playtimes

At lunchtime, the weather is monitored when it is wet, however, when it is raining heavily, children remain inside either playing large circle games, dancing, singing or educational screen time using the interactive board e.g. Ten Town, Number Jacks, Number Blocks and Alphablocks. The members of staff on duty will ensure that wet playtime runs as smoothly as possible.

Lunchtime Procedures (Dining Hall)

The Pre-School and Reception staff take the children to the dining hall and show them where to sit. All Pre-School and Reception staff serve the children their food and support and assist as appropriate. Staff who are on lunchtime duty supervise the children and eat their own lunch with them; modelling positive eating habits, how to use cutlery, what are good table manners and try new foods.

All children are asked to eat their lunch first, they are encouraged to tell an adult before they eat their pudding.

Pupils who are going home at the end of session are in provision supervised until collected and dismissed by a member of staff to their parent/s. If a child is collected whilst playing outside, they must be signed out when exiting the playground with their parent.

All pupils going home at the end of day at 3:25pm are supervised by the class teacher when meeting and greeting parents. The rest of the children who are going to After-School care/clubs are supervised by the Classroom Coordinator.

Accidents

If a child needs attention he/she is looked after by a member of staff and/or taken to the School Nurse for treatment if applicable. If the accident is more serious the child is not moved, the School Nurse is called to attend and medical procedures are followed.

All accidents must be written on the appropriate accident form and passed onto the class teacher, who can then ensure parents sign the form and are phoned if applicable. Forms then to be filed and evaluated by the Head.

Serious accidents and all head injuries must be reported to the Head. A letter will be sent to the parents for all serious accidents and head injuries. If necessary, parents will be contacted by telephone.

The School is fully committed to ensuring that the application of this policy is non-discriminatory in line with the UK Equality Act (2010). Further details are available in the School's Equal Opportunity Policy document.
